

## **Bimanet**

BimaNet is a leading insurance agency founded to offer a solution to the industry's characterization challenges of persons deemed as uninsurable. The company offers services that target the large number of Kenyans who are self-employed or work in the informal sector.

BimaNet seeks to leverage on the power of collective bargaining to offer its members better value for money and unmatched benefits on their life insurance products through their premium products such as *Linda Fanaka*.

## **Ibuka Program**

BimaNet joined Ibuka in 2019.
